Covid 19 Update

June 17, 2021

Hello Everyone at the Cottages,

It has now been almost 15 months since we started our intense procedures to keep everyone safe during the Covid 19 pandemic. We have done everything we possibly could to keep ourselves and the others around us safe; We have closed parts of our complex, received the vaccines, socially distanced, used masks, hand washed, and sanitized over and over and over.

As the “restart” regulations unfold (we are currently in step 2), we wanted to impress on everyone the need to keep our guards up, to continue to be diligent, and not to stray from the provincial health orders (PHO). These rules have kept us safe so far, so we have to make sure we continue down the same path. The Board of Directors will always, as a minimum policy, follow the provincial health orders as directed. More information regarding the restart plan in B.C. can be found at:

<https://www2.gov.bc.ca/gov/content/covid-19/info/restart>

Here is the link for PHO guidance on public gatherings:

<https://www2.gov.bc.ca/assets/gov/health/about-bc-s-health-care-system/office-of-the-provincial-health-officer/covid-19/covid-19-pho-order-gatherings-events.pdf>

All of our Covid 19 operating procedures and directives are based on current provincial health orders. These procedures and directives will continue to be in place until formal changes are sent out from the provincial health department. Any new changes to our Covid 19 operating procedures and directives will be communicated to the community as they are implemented upon the direction of the province.

Finally, we want to thank everyone for their efforts in keeping yourselves and everyone around you safe. You all deserve a pat on the back for the tremendous job you have done during the global Covid 19 pandemic.

Sincerely,

Board of Directors
Stelkia Homeowners' Corporation
