Facilities Opening

June 30, 2021

Dear Homeowners,

Now that the province has declared the state of emergency during Covid 19 is over, and has moved into Phase 3 of the Restart Program, the Board is preparing to open the facilities at the Clubhouse to the public on July 1, 2021.

Masks are still recommended in indoor settings unless you are fully vaccinated.

The Great Room will be open with a maximum occupancy of 96 people. This is the equivalent of 50% capacity as allowed by the Province's phase 3 restart provincial health order.

The Gym will be open at normal capacity and without restriction. Cleaning supplies will be available for cleaning equipment before and after use.

The kitchen will remain locked during the summer unless there is an event in the Clubhouse.

The pool will be open from 9:00am – 10:00pm, and will no longer be monitored.

The code to the clubhouse will be posted on TownSQ and Tcool.ca on July 1, 2021.

We know it has been a very long wait, and everyone is eager to use the facilities. We appreciate your patience and understanding during this past year and a half while we followed protocols set forth by the Provincial Health and First Nations Health Authorities.

The Board of Directors would like to remind everyone to remain vigilant with handwashing, sanitizing, and mask wearing when appropriate. There are still Covid variants that have not been abated by vaccines yet and the potential of being exposed to the disease remains.

Sincerely,

Board of Directors
Stelkia Homeowners' Corporation
